THANKS SO MUCH! Your help with refreshments, set up, greeting and clean up “duty” keeps BBBB a welcoming club for visitors and members alike! If these dates don’t work for you, just call another club member to “trade” (and let refreshment coordinator know). Reminder--phone numbers are for BBBB refreshment contacts only. Keep things simple and fun (fruit and cookies or a salty snack is plenty).

SIGN UP sheets for Specials are available at club dances before each event--or email the coordinator. These events draw visitors to help keep BBBB “solvent”, and add to the FUN with special themes, food or activities. Thanks for the extra help on specials!

- To minimize the burden, we’re asking **“half” the club (Last names beginning A-K)** to help with refreshments for the *Christmas in July* special and the other **“half” (Last names beginning L-Z)** to help with refreshments for the *Halloween* special.
- **All club members** will be needed to help with our 45<sup>th</sup> Anniversary.
